

*The Center for Demographic & Social Analysis presents*

# **Victor Agadjanian**

Professor of Sociology, UC Los Angeles

---

## **RACIALIZED AND GENDERED (IL)LEGALITY: EXPERIENCES OF CENTRAL ASIAN MIGRANT WOMEN IN RUSSIA?**

---

Victor Agadjanian is a leading figure in the cross-cultural study of health and population, conducting important demographic research on the vulnerability of women and families to HIV infection and other health challenges in regions of active population movement, particularly in Eurasia and sub-Saharan Africa. Joining UCLA as Professor of Sociology in 2018, he was previously Foundation Distinguished Professor of Sociology at the University of Kansas, where he founded its Center for Migration Research.
